### MEETING ANNOUNCEMENTS

#### *New Zealand Water Conference 1976*

A third New Zealand Water Conference will be held at the University of Canterbury, Christchurch, on 18–20 August 1976. It will be sponsored by the Royal Society of New Zealand and the New Zealand Institution of Engineers and has the support of the National Water and Soil Conservation Organization. The conference is intended to bring together people from many disciplines who have an interest in water, to consider national and regional planning of water use in New Zealand, the administration of water use and research needs. There will be invited speakers from overseas, and delegates from Australia and other countries will be welcome. Most papers will be requested from New Zealand individuals or groups. Accommodation will be in the University Halls of Residence. For further information contact the Secretary, N.Z. Water Conference 1976, c/o Prof. I. R. Wood, Dept of Civil Engineering, University of Canterbury, Private Bag, Christchurch.

#### *Third International Hydrology Symposium, and Second International Conference of Transfer of Water Resources Information*

Two international hydrology and water resources meetings will be held at Colorado State University, Fort Collins, Colorado, USA; the Third International Hydrology Symposium on 27–29 June 1977, and the Second International Conference of Transfer of Water Resources Information on 30 June to 2 July 1977. Abstracts of papers are now solicited, the deadline for receipt being 15 May 1976. Abstracts should comprise one title page including a) title of paper, b) author's name, c) author's affiliation, d) author's full mailing address, e) the statement "for presentation at the 3rd International Symposium in Hydrology or at the 2nd International Conference on Transfer of Water Resources Information", and the text of the abstract must not exceed two typed pages (double spaced). Notice of acceptance of papers based on abstracts will be mailed to the authors on 15 July at the latest. Tentative deadline for submittal of full papers for review is 31 January 1977. For additional information write to H. J. Morel-Seytoux, Director of Symposium, or Neil S. Grigg, Director of Conference, Engineering Research Center, Colorado State University, Fort Collins, Colorado 80523, USA.
