

NEW PUBLICATIONS

"Physical Hydrology—New Zealand Experience" (229 p., edited by D. L. Murray and P. Ackroyd, and published by the Society) contains 11 papers reviewing all aspects of hydrology in New Zealand, and a tribute to the Society's foundation president, the late C. Toebe. Copies are available from the Secretary, NZHS, P.O. Box 12300, Wellington North, for NZ\$20. Cheques should be made payable to the "NZ Hydrological Society (Inc.)."

From the Institution of Engineers, Australia, "Proceedings of the Hydrology and Water Resources Symposium 1979" are now available at a cost of A\$24.00 per copy including postage. The publication contains 47 papers, including 7 papers from the Workshop on Land Management and Water Issues in South Western Australia, and 1000 word summaries of the 17 poster presentations on water resources issues which were displayed during the Symposium. Cheques made payable to "The Institution of Engineers, Australia" should be sent to the Institution's offices at 712 Murray Street, West Perth, Western Australia, 6005.

FORTHCOMING MEETINGS AND COURSES

7-11 July 1980, Institute on River Mechanics, Colorado State University. Fee: US\$490. Contact: H. W. Shen, Engineering Research Centre, Colorado State University, Fort Collins, Colorado 80523.

Topics will include river morphology, flow systems, sediment transport, data collection techniques, channel stability, river modelling, and the illustration of river behaviour by laboratory demonstrations. The course content is application oriented, and the lectures will emphasise the physical understanding of various formulae and modelling approaches.

24-26 November, 1980, New Zealand Hydrological Society Annual Symposium, Palmerston North. Topics considered will be; Minicomputers and their application, Telemetry, General. Contact: The Secretary, 1980 Hydrological Society Symposium, P.O. Box 2043, Palmerston North.

23-31 January 1981, "International Symposium on Erosion and Sediment Transport in Pacific Rim Steeplands", Christchurch, New Zealand. Organised under auspices of the Royal Society of New Zealand and sponsored by the National Water and Soil Conservation Organisation and IAHS. Contact: The Secretary, 1981 Symposium, P.O. Box 737, Christchurch.

Other events abroad: Dr H. R. Thorpe (MWD, P.O. Box 1479, Christchurch) is the Society's representative on the National Committee of Geodesy and Geophysics. Through this committee he has available a comprehensive international calendar of symposia, meetings, workshops, etc., which may be of interest to members planning visits abroad.
